Here's How It Works

The host invites guests to an organizing experience that can last a lifetime.

Guests pay just \$20 for this exclusive learning opportunity. Each guest will receive the "Picture Yourself Organized" workbook filled with incredible tips and helpful worksheets that demonstrate the organizing strategies used by professional organizers, a \$49 value!

An area in the host's home will be chosen to demonstrate organizing concepts. Guests may participate in the actual organizing session or watch and learn.

In about two hours, the host will have an organized area and everyone will take home valuable lessons that can easily be put to use.

Plus everyone gets a chance to win nifty prizes! It's a win - win!
